This rating is based on your responses to the questions in the CTIA rating form completed for this app. If those responses do not accurately reflect the content in your app, ESRB may modify the rating assigned to the app (storefronts will be notified of the revised rating), and you run the further risk of having the app removed from one or more of the storefronts in which it is offered.

Should you change your app in any way that would alter your responses to the questions posed in the CTIA rating form, you must take the steps necessary to obtain a new rating certificate.

For the benefit of consumers, please ensure that your app is marketed to an audience for whom it is rated as appropriate and that the rating information is clearly displayed.
